

TOWN OF LUNENBURG
REQUEST FOR PROPOSALS
GIS MASTERPLAN TOL2022021

ADDENDUM #1 – July 22, 2022

This addendum is being issued to amend the closing date and provide additional information. Both items are provided below.

The closing date has been changed from August 2, 2022 at 2:00pm, to August 9, 2022, at 2:00pm.

About 80 of approximately 800 sewer structures around the Town do not have inverts surveyed and pipe diameters measured. Also, pre-processing of the GIS data will be needed to fill in some gaps, add inlet and outlet attributes to the pipes, and add additional nodes for catch basin connections.
