

TOWN OF LUNENBURG

REQUEST FOR PROPOSALS

**New Town LED Street Lighting Fixtures
TOL2022024**

ADDENDUM #1 – September 2, 2022

This addendum is being issued in response to questions received from potential proponents regarding the above-mentioned Request for Proposals (RFP) (which in some instances have been rephrased). This addendum should be added to and made part of the original RFP document.

Q1: Section 1.1 states that the RFP is for Supply and Delivery of LED fixtures, can you please confirm that this is NOT supply/delivery and installation.

A1: RFP #TOL2022024 is for supply and delivery, not installation.

Q2: Can you please confirm if the total quantity of fixtures will on each proposal will be purchased at one time, as Section 2.1.1 states on as “per unit basis, as required”

A2: The intent is that the lights will be shipped in batches, as needed for the installer.

Q3: Is the RFP for both the light assembly and the street light arm/pole or just the light?

A3: The streetlight mounting arms are planned to be reused for the LED fixture installations.

Q4: Can you clarify section Delivery Storage and handling on page 10?

A4: Arrangements are to be made for fixtures to be delivered to one of the Town buildings (to be determined) and off loaded inside, in addition to any manufacturer specifications.

Q5: Can the bid be submitted by email (PDF) or must it be by mail?

A5: Proponents must submit one (1) PDF copy via email to purchasing@townoflunenburg.ca or on a USB drive delivery via regular mail.
