

TOWN OF LUNENBURG

REQUEST FOR PROPOSALS

**LED Streetlight Installation (Within primary zone)
TOL2022030**

ADDENDUM #1 – October 20, 2022

This addendum is being issued in response to questions received from potential proponents regarding the above-mentioned Request for Proposals (RFP) (which in some instances have been rephrased). This addendum should be added to and made part of the original RFP document.

Q1: Can sub-contractors be used to complete part of the work requested within the RFP?

A1: Sub-contractors can be used provided they meet requirements set out in the RFP.

Q2: Does this work include the replacements of the streetlight mounting arm/bracket?

A2: Section 2.3.2 states “Luminaire installations shall re-use the existing mounting posts and brackets for both pole-mounted street lighting installations as well as decorative lighting installations.
