

## Town of Lunenburg Pausing Canada Day Celebration

In respect for the painful losses suffered by First Nations' communities, made fresh by the recent findings of Indigenous children's remains on the sites of former residential schools, Lunenburg Town Council has **cancelled** the Canada Day virtual event for 2021.

At this moment, our Mi'kmaq sisters and brothers are mourning the unearthing of generations of lost children. Council suggests that July 1st be a day of solidarity and reflection.

Town Council offers its thanks for the generous outpouring of videos and photos from the community to make up the Canada Day event, and commits to finding other times and circumstances to share many of them.

Thank you for your understanding.

*Lunenburg Town Council*
