## 2022 Boundary Review Survey

Thank you for helping the Town of Lunenburg shape our municipality by taking our survey.

The Government of Nova Scotia requires all municipalities to review the number of Councillors, electoral boundaries, and polling districts every 8 years. Resident feedback on these topics is an integral part of the Town's review, and a requirement of the Municipal Government Act.

This survey should take you about 5-10 minutes to complete and responses will be kept strictly anonymous. No effort will be made to identify anyone who completes the survey.

Please note: We are seeking the opinions of residents of the Town of Lunenburg ONLY, aged 16 and older.

6. With a land area of 4.04km2, the Town of Lunenburg has been a single polling district \* for over 100 years, with councillors "at large" representing all residents of the Town. At one time a ward system of three polling districts was the practice but was discontinued in 1909.

Knowing this, which best represents your views on polling districts?

Mark only one oval.

- Lunenburg should continue to be a single polling district
- Lunenburg should change to a ward system
- 7. If you selected ward system, how many wards do you think appropriate?
