

62. TOWN OF LUNENBURG PROCEDURAL POLICY -

RESPECTING PARKING METER PAYMENT EXEMPTIONS FOR THE RCMP AND
TOWN OF LUNENBURG OFFICIALS

I. PURPOSE

The purpose of this policy is to clarify parking meter payment exemptions for RCMP members and Town of Lunenburg staff, Councillors and official guests only while conducting Town of Lunenburg business. The non-issuance of parking meter tickets and non-payment of parking meter fees and fines in such instances is considered necessary for efficient Municipal operations.

II PROCEDURE

- 1.) RCMP members and Town of Lunenburg staff, Councillors and official guests only while conducting or participating in RCMP and/or Town business are not required to pay Town of Lunenburg parking meter fees and/or fines. Parking meter violation tickets will not be issued in such instances.
- 2.) If a parking meter violation ticket is issued in error to the RCMP and/or an above noted Town of Lunenburg official while on RCMP and/or Town of Lunenburg business, the issuing Officer, Town Manager/Clerk and/or designate may cancel the ticket and no fine is payable.
- 3.) For administrative convenience, Town of Lunenburg parking passes may be issued by the Town/Manager Clerk or designate for display in RCMP and/or Town of Lunenburg officials' vehicles for the purposes of this Policy. Parking passes are not mandatory to be exempted under this Policy.
