Lunenburg Arena COVID-19 Facility Protocols

Arena Rental Capacity/Limits

- **A maximum of 10 participants per cohort.**
 - More than one cohort of 10 is allowed as long the cohorts are distanced from each other the entire time and use separate dressing rooms.
- **No spectators permitted.**
- Players who need assistance tying skates may have one (1) parent enter the facility and tie skates on the *spectator bleachers*.
 - No parents are permitted inside the dressing rooms.
 - Parents must exit the facility immediately after and may re-enter when the rental ends to un-tie skates.
- The renter is responsible for managing and adhering to the facility maximum capacity.

Public Skate Capacity/Limits

- Maximum of 50 skaters.
- All skaters must show Arena staff their POV prior to skating.
- Skaters must physically distance from others on the ice surface.

Masks & Physical Distancing

- Masks and physical distancing are required at all times while in public spaces.
- Participants may remove their mask when on the ice surface.

PROOF OF VACCINATION

General

- **Everyone aged 12+ must provide proof of full COVID-19 vaccination (POV).**
- A person is considered fully vaccinated **14 days** or more after receiving second dose.
 - The day a person got their second/final dose of vaccine is considered day 1. They are considered fully vaccinated 14 days after.
- Arena staff can ask to see the public's POV at any time.
- Please carry a POV with you when in the facility.

Rentals

- The rental organizer must show Arena staff their POV.
- The rental organizer must ensure all participants involved in their rental are fully vaccinated.

The hourly rental fee for all renters will continue to be \$122/hour, tax included, while current Provincial gathering limit restrictions are in place.

COVID-19 PROOF OF VACCINATION
Everyone (aged 12+) must provide **proof vaccination**.
MASKS are required for indoor public places.
Masks may be removed during physical activity.
