

Town of Lunenburg Launches Online Zoning Look-up Map

January 10, 2022 -- The Town of Lunenburg's Planning team has been developing digital mapping capabilities to support our residents and businesses in their land use needs.

An **online tool** has been developed to assist the public in finding what zone(s) applies to their property under the three-layer lot/form/use designations in our innovative new Land Use Bylaw.

To look up a property, use the street address, Property ID number, or simply click on the map.

Visit the site here: <https://bit.ly/ArcGIS-TOLZoning>

For questions about the map, please contact Trevor Hume, planningtech@townoflunenburg.ca or 902-634-4410, ext.233. To apply for a permit, contact Ann Covey, planning@townoflunenburg.ca or 902-634-4410, ext. 225.
